

Daily Declaration part 2

Mind you will meditate according to truth, not facts! Facts are based off what the senses can pick up on. Truth has everything to do with the outcome of what God says.

We walk by faith (truth/outcome) and not by sight (facts/what the senses can pick up on). **2 Corinthians 5:7**

We are diligent men and women of God, which means we are aware of who God is, who we are in God, and how to apply God's word the right way in our lives.

We carefully obey God's word over and over, until now it is a part of our nature! **Psalms 119:11**

We are experts when it comes to receiving our harvest, which means we are experts in obeying the truth! We are not lazy, careless, neither do we get weary in well doing. **Galatians 6:9**

It will not ever be hard to love our spouse, children, family, friends, and enemies.

It will always be easy to say yes to the will of God.

It will never be hard to pray, study your word, or get an understanding of what you are saying to us through your word.

How do we know that this is true? We know because we can do all things through Christ who gives us strength. **Philippians 4:13**
